

### 2014 Ford Focus FWD

**MSRP** -\$16,310 - \$24,115

5 people

**MPG** **27** City **37** Highway  
3 gallons/100 miles

**Safety Rating:** The front side has four stars. The side of the car has five stars and the rollover has four stars. The overall Focus has five stars.

**What Safety Features does the car offer?** The focus has Front-wheel drive, it's not a gas guzzler, it does not have a turbocharger, and it doesn't have a supercharger and its four doors. The focus has four air bags, one in the horn, one in the passenger side of the dash and one above each seat belt in the front. The car also has five seatbelts.

**Monthly Payment:** 0 down, 4.9% APR, \$20K, 60 months, \$376.52

**Summary:** This car appears to be safe and has many good conditions. I plan to have a family for it looks safe for them to ride in.

### 2013 Ford Edge FWD

© Ford Motor Company

**MSRP** (\$27,700 - \$37,200)

5 people

**MPG** (**19** City **27** Highway  
4.5 gallons/100 miles

#### Safety Rating

#### What Safety Features does the car offer?

The Ford Edge has four doors & four air bags,

**Monthly Payment:** 0 down, 4.9% APR, 34K, 60 months, \$640.07

**Summary:** What makes this car a good or poor choice for you and your future lifestyle? Speak to the cost, features, add-ons, safety, MPG, and how they would work or not work for you.

### 2008 Honda Civic

**MSRP** (\$21,000 – \$27,000)

1.8 L, 4 cyl, Automatic 5-spd)

5 people

**MPG** **25** City **36** Highway

3.4 gallons/100 miles

**Safety Rating:** How many stars does it have overall, did it do poorly in any area of the safety test process? Some cars do fine in a head-on collisions but only get 3 stars for a side impact for example. Be sure to note if it fared OK in roll-over tests. These are being done now because SUV style vehicles are much more likely to roll-over and accidents that involve roll-overs are significantly more likely to include fatalities.

#### What Safety Features does the car offer?

**Summary:** What makes this car a good or poor choice for you and your future lifestyle? Speak to the cost, features, add-ons, safety, MPG, and how they would work or not work for you.

**Monthly Payment:** 0 down, 4.9% APR, 24K, 60 months, \$451.09
